Terms of Service:

- 1. Basic Service Prices:** Verde will supply electricity to Customer at a 100% renewable fixed generation price of 7.99¢ per kWh Plus \$0.00 per month for 24 Months of service. Verde will purchase and retire renewable energy certificates (“RECs”) or attributes to ensure that an amount equal to 100% of Customer’s electricity usage is generated by renewable sources. This price includes transmission charges and estimated total state taxes, including the Gross Receipts tax, but excludes applicable state and local sales taxes as well as any new taxes imposed. Customer shall also pay and be responsible for all other amounts related to the purchase and delivery of electricity, including applicable taxes and delivery charges.
- 2. Length of Agreement:** Verde is authorized to switch Customer’s supplier for the generation service charge. The Agreement will start when the EDC completes Customer’s enrollment with Verde. This Agreement will continue for a fixed term of 24 Months unless cancelled by either Customer or Verde in accordance with Section 4.
- 3. Renewal Provisions/Agreement Expiration:** If Customer has a fixed term contract approaching the expiration date, or whenever Verde proposes to change the terms of service in any type of contract, Customer will receive two separate written notifications that precede either the expiration date or the effective date of the proposed changes. These notifications will explain Customer’s options going forward.
- 4. Cancellation Provisions and Fees:**
If you cancel or terminate this Agreement prior to the end of the Term you will pay an early termination fee of \$0.00. If you contact your utility to discontinue service at your current location, and initiate a request for service at a new location within the same utility’s service territory to begin within three days of your existing service, and you are otherwise eligible under the utility’s rules, you are entitled to a seamless move and Verde will remain your Electric Supplier and the existing terms and conditions of this Agreement will continue to apply. Verde will not send you a new move letter. If you relocate outside of the utility’s service territory or your transfer of service fails to meet your utility’s seamless move eligibility requirements, then you may cancel this Agreement without penalty. You will be responsible for amounts due, up to the switch date, for all outstanding charges incurred for services prior to cancellation or termination of this Agreement. If you default in the prompt payment of amounts due under this Agreement, you will be liable for any and all fees or charges, including reasonable attorney fees and court costs, incurred in connection with the collection of delinquent balances. Verde may use the services of debt collection agencies, consumer-reporting agencies, and other remedies as allowed by law to collect any unpaid balances on your account.

You will be assessed a fee of \$30.00 for payments returned for insufficient funds or credit card transaction not processed due to insufficient funds or credit availability by any method of payment including, but not limited to, bank or personal check, automatic payment plan account deduction or credit/debit card.

If for any reason Verde is no longer able to economically continue this Agreement, Verde may terminate this Agreement at any time after complying with applicable regulations. This Agreement may be cancelled at the sole discretion of Verde if you fail to meet any of the terms and conditions of this Agreement or if any of the information you have provided to Verde is or becomes untrue. If this Agreement is cancelled, expires, or otherwise terminated, you will receive uninterrupted service from the LDC until you designate another provider or electric generation service or service is shut off by the LDC. Only the LDC may shut off your electric supply. If Verde cancels this Agreement for any reason other than for Customer non-payment, Verde will follow applicable rules in providing notice to Customer. The cancellation will become effective when the LDC switches Customer's account from Verde to the new supplier selected by Customer, to the LDC or to such other default provider established for Customer's account. Cancellation will not relieve Customer of any payment obligations for electricity provided to Customer by Verde prior to cancellation.

16. Governing Law: Except as provided in Paragraph 17 below, this Agreement is governed by the laws of the Commonwealth of Pennsylvania, without regard to its choice of law principles.

17. Agreement For Mandatory Arbitration & Class Action Waiver (the "Arbitration Agreement"):

Scope of the Arbitration Agreement. Any legal dispute between the parties concerning or arising out of Customer's enrollment, purchase, this Agreement, or the relationship between the parties ("Dispute") shall be resolved by one arbitrator through binding arbitration using the process explained below. The parties understand and agree that they are waiving their rights to sue or go to court to assert or defend their rights. However, either party may bring an individual claim in small claims court consistent with the jurisdictional and dollar amount limitations that may apply, so long as maintained as an individual claim. The term "Dispute" refers to any dispute, action, claim, or other controversy between the parties, whether in contract, warranty, tort, statute, regulation, ordinance, or any other legal or equitable basis.

Informal Dispute Resolution. Either party asserting a Dispute shall first try in good faith to resolve it by providing written notice as specified below to the other party describing the facts and circumstances (including any relevant documentation) and allowing the receiving party 30 days in which to respond. Notice shall be made by first class or registered mail (1) to Verde at 12140 Wickchester Ln., Suite 100, Houston TX 77079 or (2) to Customer at the postal address on file with Verde. Both Customer and Verde agree that this dispute resolution procedure is a condition precedent which must be satisfied before initiating any arbitration against the other party.

Right to Opt Out of this Arbitration Agreement. Customer may opt out of this Arbitration Agreement within the first 30 days after the earlier of the first time Customer (a) enrolls and begins purchasing services from Verde; or (b) signs up for any further program or service provided by Verde. Customer may also opt out of this Arbitration Agreement within 30 days after Verde notifies Customer regarding a material change to this Arbitration Agreement. Customer may opt out by sending an email to Verde at customercare@verdeenergy.com or by sending a letter to 12140 Wickchester Ln.,

Suite 100, Houston TX 77079. Customer should include Customer's printed name, mailing address, and the words "Reject Arbitration."

How Arbitration Works. Either party may initiate arbitration, which shall be conducted by the American Arbitration Association ("AAA") under the AAA Commercial or Consumer rules, as applicable, in effect at the time the claim is filed ("AAA Rules"). For information on how to file a claim, copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. Arbitration shall take place in the county of Customer's residence, as determined by Customer's mailing address on file with Verde. Verde agrees to pay or reimburse all costs associated with any arbitration between the parties, including filing fees and arbitrator fees, and agrees to waive any right to recover an award of attorneys' fees and costs against Customer. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction.

Waiver of Right to Bring Class Action & Representative Claims. All Disputes, whether resolved informally, in small claims court, or through arbitration, shall be brought on an individual basis. Disputes must be brought in the party's individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum, and the arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any entity or person not a party to the arbitration. Any claim that all or part of this Class Action waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. **THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.**

Governing Law. This Arbitration Agreement shall be governed by the Federal Arbitration Act and interpreting federal law. To the extent state law applies to any aspect of this provision or the claim, the laws of the Commonwealth of Pennsylvania, without regard to its choice of law principles, shall apply. Neither party shall sue the other party other than as provided herein or for enforcement of this Paragraph 17 or of the arbitrator's award; any such suit may be brought only in the federal court encompassing the county where the arbitration took place, or if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability or formation of this Arbitration Agreement including any claim that all or any part of the Arbitration Agreement is void or voidable. However, the preceding sentence shall not apply to the clause above entitled "Waiver of Right to Bring Class Action & Representative Claims."

You further authorize Verde Energy to release that information to third parties who need to use or be aware of such information in connection with my electric service under the Agreement, as well as to Verde Energy's affiliates and business partners for marketing purposes. You further authorize Verde Energy, its affiliates, and its third party vendors, including marketing vendors, to communicate with you at the contact information included in your enrollment or contact information received at any time during the relationship of the parties, for future communications, including but not limited to communications through telephone call, voicemail, text message, pre-recorded message and electronic mail. You may rescind these authorizations at any time by either calling Verde Energy at 1-800-388-3862 or providing written notice to Verde Energy. Verde Energy

reserves the right to reject your enrollment or terminate the Agreement if you fail to meet minimum or maximum threshold electric consumption levels as determined by Verde Energy.
